

## ATTENTION PARENTS and FRIENDS!

Career Day is Thursday, April 11, and we need YOU to help make it successful! Please consider participating in DACS Career Day by preparing a short presentation about your career for the students. What made you choose the career you're in? What skills are needed to do the job you do? Talk about the importance of education. If you have any visuals or hands on experiences, that would be a great addition! This could be a great opportunity to promote your business by bringing and distributing business cards, flyers, and freebies with your company name! Please complete and return this form by Friday, April 5.
