

DACS Church Quarterly

December 1, 2020

Duluth Adventist Christian School

Something New

Hello Duluth Church Family, unprecedented is the word of the year. The word means never known or done before. Here at DACS we would like to take this word and do something that is also unprecedented. DACS will intentionally keep our church family in the loop about our school with a quarterly newsletter. :D

In our newsletter we will

share all that is going on at our school as well as inform you about upcoming events.

I will do my best to keep it short and interesting. I know we are all bombarded with pop-up this and pop-up that as the media compete for our attention. I would like to say in advance, thank you for allowing us the opportunity to take a bit more of your

time. :D

We miss our church family and prayerfully this will help us feel a bit more connected.

In Case You Missed It

Earlier this month DACS had their first fundraiser. We had a move-a-thon at Rhodes Jordan Park in Lawrenceville. Some of

you were able to come out and participate, to those I would like to say a big thank you! For those who missed it no worries, we

have another event coming up soon. :D

Up Coming Events

December 21-January 3rd Christmas Break

January 18th MLK Birthday (No School)

January 22nd Awards Day

February 15th Presidents' Day (No School)

Giving Tuesday

Tuesday, December 1st, is Giving Tuesday, a global event that started in 2012 to bring attention to non-profit organizations. At DACS we have an ongoing Capital Campaign by definition, it is an intense effort on the part of a nonprofit organiza-

tion to raise significant dollars in a specified period of time. Usually the money raised is to fund, acquire or renovate a building. The campaign's focus is on building an endowment for the future.

Tuition at DACS alone does not cover the cost to fully educate a child, therein lies the reason for the campaign. Won't you please consider helping us to fill the gap by giving to our Capital Campaign?

Doing Our Part

The seventh and eighth grade classes teamed up with the fifth and sixth grade classes to create Thanksgiving baskets. Six large baskets were put together and given out to our most

needy families. We praise God for our students and teachers who worked together to make Thanksgiving a blessing to the receiving families.

Our younger

grades, Pre-K to fourth graders, will do Christmas baskets. Those baskets will be given to our local fire fighters.

We are in
need of tutors
and
substitute
teachers at
DACs.

DACS Needs You

We have been told it takes a village to raise a child. At DACS we are reaching out to you to help "raise" our children. We are in need of tutors and

substitute teachers at the school. We would also love for you to come in and give the teachers a break by reading to the students or monitor during

lunch. Anything that you can do to help our village would really be appreciated.
