Home and School

Children learn best when the significant adults in their lives -- parents, teachers, and other family and community members -- work together to encourage and support them. This basic fact should be a guiding principle as we think about how schools should be organized and how children should be taught. Schools alone cannot address all of a child's developmental needs:

The meaningful involvement of parents and support from the community are essential. All the experiences children have, both in and out of school, help shape their sense that someone cares about them, their feelings of self-worth and competency, their understanding of the world around them, and their beliefs about where they fit into the scheme of things.

AFTER CARE

School dismisses at 3:30 M-Th and at 2:30 on Fridays. Pick-up time is for 30 minutes after dismissal. If you have not arrived in that 30 minute window, your child will be sent to aftercare. You will be charged \$20 for Aftercare Services. Your child's safety is a priority and they will be monitored in a safe environment. If you are interested in enrolling in After Care, please contact Mrs. Jeimi Bruno-jeimiree@gmail.com. In aftercare, your child will receive a snack, homework time/help, and have play time.
