

DACS DISPATCH Thankful Edition 2024

November

DACS Week of Prayer

This is one of my favorite weeks of the school year...Week of Prayer! Each year, DACS holds a Fall and Spring Week of Prayer to deepen students' spiritual lives, foster a sense of community, and encourage a reflective break from daily routines. This time is usually dedicated to helping students grow closer to God through daily worship, a focus on prayer, and guest speakers who talk on our Spiritual topic. This year was "Follow Me, and I will make you Fishers of Men". Our 3rd&4th graders presented our preliminaries each morning and the students brought their prayer requests and put them in the prayer box. A special DACS thank-you to Pastor Jenkins, Pastor Morales, Pastor Robechi, Chaplain Kharns, and our guest speaker Pastor Omar from Jamaica for bringing awesome messages each day.

This year we added Screen Free Week. Mrs. Baptiste put forth a challenge of laying down their devices during the week. Over 60 students accepted the challenge. The week was tough, but the students had great experiences. They said they played games with their families, read a lot of books, and played outside. Some even reported praying more and reading their Bibles more.

There was a super special testimony from Noah Micu (2nd grade) about how God helped him keep his screen free pledge. Watch the video on our DACS <u>YouTube</u> Channel. Please LIKE and Subscribe! You

In summary, this was a GREAT Spirit-filled week. We created a meaningful, shared experience focused on making an intentional decision to follow Jesus.

"I was one way, and now I'm completely different. And the thing that happened in between...was Him." Mary M., the Chosen.
