Meet the Teacher

Mrs. Wendy Bonnick

My name is Mrs. Bonnick and I am the PreK & Kindergarten teacher. I was born on the beautiful island of Jamaica, West Indies. My teaching career started in New York where I taught for 12 years. I had the privilege of being a principal/teacher in Kuwait for 7 years. The remaining years of teaching have been in Georgia, with this being my fifth year at DACS. I have a total of thirty-four years teaching God's children. I am married to Bernard and together God blessed us with one child, a son, who passed away suddenly on December 31, 2021, at age 21. I put God first and foremost in my teaching career to guide me to educate young minds. I love to travel the world to meet people from all nations. I will be relying on God for us to have a successful year learning His will.
