KNIGHTLY NEWS

DACS ⚡ ELECTROKNIGHTS FIRST PLACE WINNERS!!

UNEARTHED™

**ELECTROKNIGHT COACHES:
DARWIN DOWDIE
& HOPE BYRD-SMITH**

The excitement in the air was palpable. Kids representing 15 teams from other SDA schools gathered for Sabbath worship, then headed over to the Collegedale Academy gym. The ElectroKnights choose a spot to set up their Innovation Project. The table was decorated and the objects displayed. The smiles on the faces were telling. The team practiced some runs perfecting the last minute adjustments for the next day's competition.

Sunday morning arrives and everyone gathers in the gym, teammates, coaches, refs, family members, and friends. We were all excited to see the robots in action. But first, the Innovation Project presentation.

The team had to present their project to the judges and give an oral report on the research they had done. The team came out with smiles. They felt really good about the job they had done. Then came the part everyone was looking forward to...the robot missions course! 3 chances...highest score wins. Round 1...6th place. Round 2...1st place! Round 3...1st place again! The team was bubbling with excitement. Not too long after, it was time for the awards.

..."And 1st place in the robot performance category goes to.....DACs ElectroKnights!"
..."And 1st place in the Innovation Project goes to... DACs ElectroKnights!" There were a few more awards given out, but DACS brought home both 1st place trophies.

We are super proud of our Lego Robotics Team: **Alex Woodruffe, Art Jalba, Orion Kharns, Samuel Vaanpi, Darren Dowdie, Dawson Dowdie, Justin Smith, Mily Jimenez, Violetta Molina, Lemuel Philogene and Sut Sang.**

DACS SINGS AT BUFORD FAMILY

Students Music Ministry Hits the Road

On Sabbath, February 22, the DACS students and their wonderful parents traveled to Buford Family SDA Church to sing for the main service. Everyone looked so nice in their red, white, and black. The lower grade choir, UnaVoce, sang a beautiful rendition of How Great Is Our God. Next was the middle school choir, Harmonia. Soloists Natanya Pacheco and Jaden Smith led out on the song Thank You Lord. Last, the combined choirs sang a wonderful song, He is Risen. The PreK/Kindergarten class started off the song and our soloists chimed in...Elvira Khinmadeapoe, Samara Gutierrez, Daveney Watkins, Daphne Abreu, and the sweet little voice of Niang Ciin ended the song. What a joy it is to hear the voices of our children praising God in song. A special thank you to the parents who traveled from near and far in support of our choirs. We are looking forward to hearing them again on Education Day, Sabbath, March 28.

Still I Rise

A Celebration of Black
History & Women's Month
Duluth Adventist Christian
School

Join us for a beautiful performance of **plays, poetry, music and dance!** We will celebrate leadership and the proud women who shape our community.

- **March 16-20**
 - **Spring Break**
- **March 28**
 - **DACS Education Day at Duluth SDA**
- **April 3**
 - **Good Friday/No School**

A Heartfelt Thanksgiving for Our New School Bus

We are thrilled to announce the joyous news that we have successfully acquired a new bus, a heartfelt milestone that will significantly enhance transportation for our students. This achievement is a testament to the unwavering dedication and support from our entire community. From the moment we envisioned this goal, many individuals have contributed financial resources to make this dream a reality. With this new bus, we can now transport our students safely and comfortably to school each day, ensuring that they arrive ready to learn and grow.

Moreover, this bus will open up a world of opportunities for enriching experiences beyond the classroom. Whether it's a field trip to a museum, a visit to a local park, or a journey to a neighboring city, this bus will be a gateway to learning adventures that inspire curiosity and foster a deeper understanding of the world. Additionally, our new bus will serve other ministries within our community, further strengthening the bonds that unite us and expanding the reach of our collective efforts.

This accomplishment would not have been possible without the generosity and support of our donors, parents, and volunteers. We extend our deepest gratitude to each and every one of you. Your contributions have not only provided a means of transportation but have also strengthened our community spirit and commitment to providing the best for our students. As we look forward to the journeys ahead, we do so with full hearts, brimming with appreciation and excitement for the new possibilities that our bus will bring. Thank you for being an integral part of this wonderful achievement.

THE WINDOW IS OPEN!
